Dear James L. Christopher;

On behalf of our entire parish family here at St. Cecilia's Church, I want to thank you for the donation of the Shape AR161 copier to our church. Your generosity will enable us to make numerous improvements in our Christian Formation Program.

Your professionalism as a business has been truly impeccable. Our needs have always been met in a most timely manner. Your Sales Representative, Chris Angello, is always informative, professional, and polite. In today's market it is a pleasure and a business asset to have such an employee.

Please feel free to use us as a reference at any time.

Sincerely,

Linda G. Piddock
Pastoral Associate
