Our office has been doing business with Advanced Business Systems in Watertown, New York since January, 2004. We have started our second copier lease with them this past fall, and we are very pleased with the copier and their service. Their service department is excellent; if I ever have a problem, they are here within hours to take care of the few problems I have had.

Chris Angello is very pleasant and professional, and we look forward to working with him and Advanced Business Systems for many years to come.

Should you have any other questions, please feel free to contact me at the above number.

Sincerely,

Mary Turo
Office Manager
