June 2, 2009

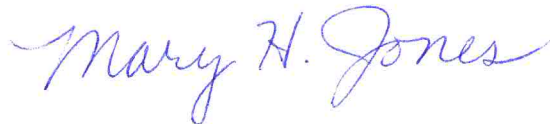

Advanced Business Systems, Inc.
22811 Murrock Circle
Watertown, New York 13601

To Whom It May Concern:

The Copenhagen Central School District has had a business relationship with Advanced Business Systems for many years with regard to the purchase of and /or leasing of copiers/printers, and fax machines.

The District has been pleased with the products as well as the service on the machines. The people who take our service requests are pleasant and courteous, Amy Kirsch does a fine job with sales and Dan and Wayne are the best as far as keeping everything running!

Very truly yours,

Mary H. Jones
Secretary to the Superintendent
