
FIRST STEP DAY CARE INC.

Richard Tarzia has been our account executive through Advanced Business Systems for about two years. During that time we have purchased a new computer, a laser printer and a copier. We trust Rick to lead us in the right direction when making a purchase that we are unsure of and he is faithful about stopping in to make sure that we have everything that we need. He has even given our staff lessons on how to use our new copier. We are comfortable calling Advanced Business Systems with concerns and questions because we know we will be taken care of efficiently and in a friendly manner. Thank you Richard and Advanced Business Systems for making our relationship with your business a positive one!
